

AI Use Disclosure

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

6. Please explain your rating above regarding academic integrity of AI use for this submission. Why? (Write in 2-3 sentences) *

There are many times when you seek an answer to a question that is way to specific to google, and going to office hours might not work. So things like ChatGPT can give you a really fast answer to a very specific question, which you can continue to extend on. It saves a lot of time and frustration, which is why I

7. How did using AI content generators impact **your learning** for this submission? *

10. List all the **AI tools** AND the **specific prompts** you used for this submission (input N/A if you have not used any) *

I used ChatGPT to help me understand and write some html and css code. For example, "How can I make an image a button in html?".

11. How confident were you in AI's responses that you received? *

- ☐ Confident
- ☒ Somewhat confident
- ☐ Neutral
- ☐ Somewhat not confident
- ☐ Not confident
- ☐ I did not use AI for this submission

12. How did you ensure the answer you received from the AI tool was correct? (input N/A if you have not used any) *

I used the terminology from it's answer and googled it. The information was very closely matched.

13. Did you at any point abandon using AI tools and seek other resources? Explain your answer. *

What made you abandon using the AI tool? Were you more successful using other resources? Input N/A if you have not used any

For some things, I just googled them, like "what is github pages?".

14. For each of the following items, how would you rate the relative contribution made by you versus AI? *
